Description

Victorian burr walnut pedestal desk This Victorian burr walnut pedestal desk was made circa 1870. It has all the hallmarks of being made in one of the finest workshops of the period. The desk was made in 3 parts, the top section, and the pair of pedestals. This makes it easy to transport to and around your home or office. The top section with the gilt tooled red inset leather writing surface, above the 3 drawers. The wide central drawer above the knee-hole flanked to either side with a smaller width drawer. Each pedestal with 3 graduated drawers, all the drawers with the original turned walnut knob handles. Victorian burr walnut pedestal desks are rare, and very desirable, as they look so good in a home or office. Imagine this superb desk in your home and office and the pleasure ownership this will give you.
