An excellent antique Edwardian Sheraton Revival period bookcase in mahogany. This was made in England, it dates from around 1900-1910 period. It is of amazing quality and is a lovely size. The mahogany has a gorgeous colour tone and wonderful satin wood inlays throughout. The upper doors are astral glazed, with a brass beading and contain three adjustable shelves within the cabinet. The lower doors are panelled and conceal a cabinet with one more shelf. This sits on nicely splayed bracket feet and has a beautiful dental moulded cornice. We have had this recently re-polished, the condition is excellent for its age. The top lifts off the base and this comes in two pieces for ease of transport.
