Description

This magnificent antique cabinet is a 19th century French piece that exudes elegance and sophistication. Crafted from beautiful rosewood and ornately carved giltwood, this cabinet showcases intricate details and features that are sure to impress any discerning collector. The vitrine bow front design, 183cm height, and 100cm width make it a perfect addition to any room in your home, providing ample space for displaying your precious collections. It also includes shelves to accommodate your storage needs. The cabinet's antique style and brown colour give it a timeless appeal, while its features like carvings and set includes shelves make it a functional and beautiful piece of furniture. This cabinet is ideal for those who love antique furniture and appreciate the quality craftsmanship of French design. Its unique charm and character are evident in every aspect of the piece. It's perfect for collectors who want to add a touch of luxury to their living spaces.
