Description

A stunning blue and white complete dinner service manufactured by the Ceramic Art Co Ltd (Crown pottery) that dates to around 1900 It has a registration make of 38268 which dates the pattern to 1885 and it has a real aesthetic movement look about it In great condition for its' age, some of the plates have light crazing which is not discoloured and certainly does not detract from its appearance and use Consists of 3 large graduated serving plates 2 rectangular tureens with lids and dishes 1 square tureen with lid 12 dinner plates 12 dessert plates 12 side plates 1 gravy boat The tureens and gravy boat have attractive splayed feet A really elegant service that would grace a period dining table and would make a real statement at a dinner party For collection, or I can arrange delivery.....please contact me for a quote
