Description

Charming French solid oak bookcase / display cabinet from the fabulous Victorian era. The frieze is beautifully carved, as is the top and bottom panels of the glass doors. The two doors both have 8 glass panes and decorative brass ware with working lock and key. Inside there are four fully adjustable shelves so this will accommodate any size of book or ornament. All raised up on four elegantly shaped legs and escargot feet. There is some damage to one of the front feet (shown in pictures) however this is minimal. This is a good size and will house a wonderful collection of books or display your treasures with style.
