Description

An excellent pair of antique mahogany carver chairs in the classic Chippendale style. They were made in England, and date from around the 1890-1910 period. The quality is superb, they have very well built solid mahogany frames. The cabriole legs terminate in claw and ball feet, the backs have intricate and lovely pierced fretwork. We have had these recently re-polished, and the drop in seats have been re-upholstered in a cream cotton fabric. The condition is excellent for their age.
