Description

Dimensions:W: 110cm (43.3")H: 136.5cm (53.7") Lovely wide early 19th century French gilt Louis Philippe mirror in excellent condition. It dates from around 1830. It has its stunning original real gilt (gold leaf) on gesso frame with no chips. It has its gorgeous original mercury glass with no scratches. Mercury glass is so hard to find these days and gives a sparkle and reflection like no other. It also dates the mirror to pre 1840 because mercury glass was not used after then. It would make a beautiful overmantel but would work just as well hanging on a large wall.
