Description

A stunning baluster shaped Kashmiri table lamp, hand painted in the traditional style of the Kashmir area of Northern India. The multi-coloured floral decoration is highlighted with bands of black and gold. The condition of the lamp is very good, there is very slight rubbing to the base, this is compatible with age and does not affect the appeal. The lamp has been rewired with fabric covered flex and is PAT tested. This outstanding and very tall table lamp would make a statement wherever it is placed. c. 1900 Height to top of fitting: 24" 60 cm Width: 9" 23 cm
