Description

This is a very pretty Sterling Silver Toast Rack from the 1930s. It would be a lovely way to serve toast for breakfast or use as a letter or card rack in the office. It comes in a gift bag and would be a great present. It was made by James Swann & Son and it was Hallmarked in Birmingham in 1934. The rack has five beautifully shaped arches with a pretty handle in the centre. The Hallmarks and maker's mark are on one side. It's in very good condition with silver shiny with a tiny bit of tarnish in corners. It weighs 53.2g. It's a smaller size toast rack, measuring 7.8cm by 4.5cm (3 1/8 inches by just over 1 3/4 inches). The height to the top of the handle is 7.2cm (just under 3 inches).

Internal Ref: 1934 toast rack
