Antique French cage chandelier - rewired

Price

Sold**Item Reference: SA1020698****Date of manufacture: 1910**

Description

Pretty antique French chandelier from the early 1900s in excellent condition. It has its gorgeous bronze cage frame adorned with its original crystal drops of various shapes and sizes and 2 crystal ball finials. There are no chips. It has been professionally rewired by an antique lighting electrician with clear wire along the arms and gold braid along the chain. The bulb holders have been replaced with pale card ones. It has been PAT tested and is ready for use. It has its original chain and ceiling rose.

Internal Ref: 10831
