Depth = 11 cm (4.3")

Description

Immaculate faux tortoiseshell boulle clock with outstanding gilt adornments by A.D. Mougin of Paris. The 8 day movement strikes on a bell on the half-hour and the hour. It has just been fully serviced by our Bhi registered staff and carries our usual 12mths full parts and labour guarantee. It is clearly signed with the makers name. The 4" (10cm) enamelled dial has black Roman numerals with an outer circle of 5min Arabic numerals. The cast brass bezel has a convex, bevelled glass. Keeping perfect time and with it's original winding key (always a clue that a clock has been well cared for from new). This is an out and out piece of quality throughout. All cards accepted.
