Description

Antique fine quality large Victorian 19th Century burr walnut oval tilt top breakfast table. This is a lovely table (far better than most), that is full of age, charm and character. Great colour and best patina. Rare and attractive. Tables of this quality do not come up often. Top removes for transport. The table is heavy, solid and has no loose joints, standing on a carved walnut base with period brass castors. Would look amazing in the right location! In good antique condition with minor historic knocks, marks, cracks, scratches, wear, imperfections, repairs and alterations, as is to be expected with functional antique furniture.
