Description

Antique fine quality pair of Georgian early 19th Century mahogany bedside tables. A fantastic piece with quality and style. Oak lined drawers slide freely. Attractive fret cut decoration to the back and sides of the undertier (possibly later addition). This is a genuine early 19th Century bedside table with a second craftsman made perfect 20th Century copy to match the original. This would have been very expensive to make, but worth it as pairs of these aren't available. No loose joints or woodworm. Would look great in the right location! Overall maximum dimensions: 33cmW x 33cmD x 77cmH each. In very good antique condition with minor historic knocks, marks, wear, imperfections, repairs and alterations, as is to be expected with functional antique furniture.
