Item Reference: SA1021255

Date of manufacture: 1890

Description

A beautiful German Hanau antique solid sterling silver dish or tray. It is hallmarked with German Hanau marks for B. Neresheimer & Sohne along with the import marks for London 1891 with the importer being that of Edwin Thompson Bryant. It has been superbly designed being embossed with 18th century courting scenes. It is in superb condition being free from dings splits holes and repairs. It measures approx. 6 inches (15cm) long by 4.5 inches (11.5cm) wide and weighs 74 grams. A very good quality piece.

Internal Ref: 31950
