Description

This is a set of 8 antique dining chairs. An English, mahogany and leather seat with Chippendale revival taste, dating to the late Victorian period, circa 1900. Generously sized, ornate suite of 8 dining chairs for the grandest of dining rooms. Displaying a desirable aged patina throughout. Select stocks to the frame show fine grain interest and deep russet hues. Vibrant red leather over traditionally stuffed drop-in cushions with minor ageing. Excellent Chippendale revival taste with delightful pierced seat backs. Graced with the typical 'Chippendale' ears to the canted corners of the cresting rail. Exquisite detail accentuates the back splat with scroll and ribbon motif. Side rails host diamond shaped patera in relief against mottled frieze. Elegant, sinuous arms with shaped rests over serpentine supports for the pair of carvers. Superb broad knees with decorative scroll forms, lobed apron uniting each side. Standing upon cabriole front legs terminating in fascinating ball and claw feet. Gently splayed and canted square section rear legs fall away from the back rest. This is an attractive set of 8 antique dining chairs, presenting a wonderful example of Chippendale revival taste...
