Art Deco silver swizzle stick

Price

Sold**Item Reference: SA1021708****Date of manufacture: 1930**

Description

A rather unusual design silver swizzle stick. This is of a square design with a clip so that it could be worn in a pocket or clipped to paper. Engine turned decoration marked for Birmingham 1938 makers mark William Suckling Ltd. Great condition commensurate with age and use. Picture 2 shows some "dimples" this is due to the design and where the pocket clip is. L 11.8 cm
