Description

Handsome Late 19th Century Mahogany & Ormolu French Mantel Clock with eight day French movement striking the hour & half hour on a gong. This clock is mounted on a mahogany presentation plinth with brass plaque dated June 30th 1897. (This plinth with plaque gives provenance to the clock but could easily be removed if required. The plinth simply unscrews from the feet of the clock. The clock was likely newly made when presented to Millie David in 1897.) The case is in excellent condition & the movement is in good working order. We are pleased to discuss our clocks in detail and will advise you on setting up, winding and regulating. Dimensions: Width 10" (25.4cm) Height 15 3/4" (40cm) Depth 6 1/4" (15.8cm)
