Dimensions

Height = 66 cm (26.0")

Width = 155 cm (61.0")

Depth = 12 cm (4.7")

Description

This is a very nice quality early 19th century Regency period gilt overmantel mirror. The design is what drew me to it as it is slightly more elegant than the usual with the almost faux bamboo columned front and architectural shape. The whole piece is totally original with foxed mirror plates but still clean enough to use. The size is also very impressive and the condition is superb. Height 66cm Width 155cm Depth 12cm
