Description

This is a very smart and high quality Georgian campaign desk made from solid mahogany. The design is very elegant and works well in a huge number of interiors. The condition is very good with attractive honest marks from years of use. The green leather top is a later addition but but modern and shows signs of wear that suit the whole piece. The 4 feet on each pedestal are a lovely shape. All drawers open and close smoothly. A very neat attractive piece of furniture. Height 81cm to top of rail Height 76cm Width 112cm Depth 59cm Height of knee hole 61cm Width of knee hole 42cm
