A beautiful and impressive antique console / side table in walnut. This was made in England, it dates from around the 1930's period. It is of superb quality, with a stunning burr walnut drawer front and lovely figured walnut top and sides. The legs are beautifully turned and have a wonderful stretchered support. The lower front and side edges are nicely shaped, the drawer has beautiful brass tear drop handles. We have had this stripped and re-polished, the condition is excellent for its age.
