Description

Gents 1930s Art Deco Dimra wrist watch. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The movement is signed Dimra, a brand name registered by Dimier Brothers in 1928. The watch measures 22.5mm wide excluding the winding crown and 32mm high excluding the lugs. The case is chromium plated. The front and sides are in good condition, just light surface marking. The back of the watch has deeper marking. The convex lens is in lovely condition. The dial is in its original finish, it has darkened over the years but still easy to read the time. A new leather strap has been fitted. The watch comes in a new presentation box.
