Description

An antique pine pedestal desk, with 3 drawers along the top, and 2 cupboards below (either side of the knee hole), each with a full depth shelf inside. Circa: 1915, in really good condition for its age, drawers sliding smoothly. Each drawer would have been opened just with a key. I should be able to find keys for each, but currently the right hand lock is not working. Please let me know if you'd rather have wooden knobs, or handles, or if you'd prefer all locks and keys to be working. Currently in bare wood. Can be purchased as it is for £750, or waxed: £847
