Description

A beautiful and quite large antique crystal glass table lamp. This was likely made in Czech Bohemia, and dates from around the 1920's. It is of superb quality, with intricate and crisp etching on the thick, crystal glass. The large domed shade sits on a silvered tripod support. We have had this newly re-wired with white triple core cable, it is in good working order. The condition is excellent throughout, with no chips or cracks.
