Description

Gents silver Rotary wrist watch, 1928. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The movement is signed with the Rotary wings logo. The watch measures 29mm wide excluding the winding crown and 29mm high excluding the lugs. The case is silver and there are hallmarks inside the case back for Glasgow (import mark), 1928 with a sponsor's mark of SD for Sylvain Dreyfuss. Rotary Watches Ltd was established at La Chaux-de-Fonds, Switzerland, by Moise Dreyfuss in 1895. By the 1920s family members Georges and Sylvain Dreyfuss began importing Rotary watches to Britain, which was to become the company's most successful market. The case is in lovely condition. Later winding crown. The lens has a couple of small marks, not overly noticeable to the naked eye. The textured dial with a sunburst pattern is in its original finish with original Breguet style hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
