Description

Antique half hunter pocket watch. The watch has a Swiss stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold filled and it is in beautiful condition. The front cover has a small central lens surrounded by blue enamel filled Roman numerals. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in lovely condition. The dial is in beautiful condition with original blued steel hands (including the special half hunter hour hand so that the time can be read when the front cover is closed). The watch comes in a new presentation box.
