Description

A stunning antique William IV console table in mahogany. This was made in England, it dates from around the 1830-40's period. It is a great size and is of superb quality. The base is beautifully carved with amazing details, there is a long single drawer beneath the top, and the top has a nicely cross banded edge. We have had this recently re-polished, the condition is excellent for its age. There is just some very minor wear remaining beneath the polish here and there, commensurate for age. Width – 41.5 inches , 105 cm Depth – 21 inches , 53 cm Height – 34 inches , 86 cm
