Description

Wonderful little French Louis XV style petit canape window seat occasional chair, circa 1920. Very decorative and although not something for an adult to sit on really, it will work really well as an occasional chair, end of bed or window seat...or even a very posh dog daybed?! The frame is well carved and has a good consistent colour tone and beeswax finish. The vintage buttoned upholstery is in good condition too. Please do see the dimensions below! Measuring: 26 3/4 or 68 cm height 30 1/2 inches or 77.5 cm wide 14 1/2 inches or 37 cm deep 14 inches or 35.5 cm seat height
