Description

A very nice quality Arts & Crafts period, Westminster-Chime wall clock in perfect condition throughout. The case retains its original French-polished finish with a nicely aged patina. It has a fully opening glazed front door with brass astragal bars and bevelled glass to the lower half. The silvered dial has black Arabic numerals and is in lovely clean condition. Matching silvered pendulum. The 8 day movement strikes the Westminster chime on the quarters and the hour. Very importantly, it strikes on 2 separate sets of steel bars giving it a very clear, distinctive tone. It has just been fully overhauled by our Bhi registered staff and carries our usual 12mths full parts and labour guarantee. A perfect clock all round. All cards accepted.
