Description

A superb cased rare pair of English solid sterling silver serving spoons. They are hallmarked for London 1900-1902 with the maker's mark being that of Holland Aldwinckle and Slater. Note although they have been assayed in different years they are identical. They have been well having circular gilded bowls and gilded lyre harp terminals. They are in super condition being free from dings splits distortions and repairs. The case is also perfect. They measure approx. 7 inches (17.3cms) long by over 2.25 inches (6cms) wide and have a combined weight of 112 grams. A rare very nice quality set.
