Description

An absolutely stunning pair of antique Victorian birds eye maple bedside cabinets. They were made in England, they date from around the 1860-1880 period. The quality is outstanding, they are extremely well made and are an impressive and useful size. The birds eye maple has gorgeous grain patterns and a beautiful colour tone. There is lots of storage space, they sit on plinth bases and have beautifully carved handles. We have recently had them stripped and re-polished to a very high standard, the condition is superb for their age. Width – 18 inches , 45 cm Depth – 18 inches , 45 cm Height – 29 inches , 74 cm
