Description

Gents antique silver Arcadia wrist watch, 1929. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The movement is signed with the name Arcadia, a brand name registered by the Fleurier Watch Co in 1915. The movement is protected by an inner hinged cover, this inner cover has unevenness. The watch measures 31mm diameter excluding the winding crown and the fixed wire lugs. The case is silver and there are hallmarks inside both of the cases backs for silver 1929. Overall, the case is in good condition, just general light surface marks and a little unevenness to the back, not too serious at all. The lens is in lovely condition. The dial is in its original finish which has crazed over the years, and darkened with age. Original hands and a subsidiary seconds dial. A new leather strap has been fitted. The watch comes in a new presentation box.
