Depth = 49 cm (19.3")

Description

A lovely antique Edwardian inlaid satin wood revolving bookcase. This was made in England, it dates from around 1900-1910. The quality is fantastic, this is a useful and beautifully designed item. The satin wood top has gorgeous inlays of walnut in the centre and walnut cross banding around the edges. It sits on a solid oak cross frame base which has porcelain casters, the grooved struts that run up the sides are also solid oak. We have had this recently re-polished, the condition is excellent for its age. Width – 19 inches , 49 cm Depth – 19 inches , 49 cm Height – 35 inches , 89 cm

Internal Ref: 7103
