Description

Very elegant and decorative pair of French painted console tables with original brass mounts, circa 1900 and in great condition. These are wall mounted console tables, so they will fit flush to your wall securely with the fitting provided. They are in the Louis XV style with their bombe and serpentine shape, newly painted in a pale grey which works well with the brass mounts. I have shown them with a pair of oval gilt mirrors to give a sense of scale, but they are not included in the price! Great pair of console hall tables, good solid condition too. Measuring: 30 inches or 76 cm high 36 inches or 91.5 cm wide 11 3/4 inches or 30 cm deep
