Description

An elegant arts and crafts mahogany occasional table or centre table in the style of Morris and Co, c1900, the six slender legs united by curved stretchers and a central round shelf, with a shaped top. This beautifully proportioned table is reminiscent of the furniture designed by George Washington Jack for Morris and Co in the late 19th century. The table has no marks and I haven't been able to identify the manufacturer, but have seen another table of the same design listed as 'attributed to Morris and Co'. Condition: The table is overall in very good condition with a few very small scuffs and marks to the legs, and a small dint in the edge of the top. I think the top has probably been refinished as it has no signs of wear. The maximum width of the table is 78cm across the legs - across the top it measures 74.5cm in diameter. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date...
