Description

Gorgeous Antique French side table, perfect for a bedroom made from Walnut it has a wonderful presence featuring a figured cross banded top with 3 very useful drawers under, very stylish tapered cabriole legs this table has the perfect proportions and just looks fabulous. The 3 drawers are a alteration carried out probably in the late 1970's, the original single drawer has been utilised to make the drawer fronts, this alteration obviously affects the value but not the aesthetics of the table, so to sum up a genuine 19th century Antique with alterations to the drawer configuration, priced accordingly. A beautiful piece of furniture wherever you place it.
