Description

A smart and very well made pair of antique mahogany leather top side tables. They were made in England, they date from around the 1900-1910 period. The quality is excellent, they are very nicely designed and are finished on all sides, so can be used as free standing end tables. The mahogany has a lovely colour tone, complimented nicely by the inset green leather tops. Each has a single drawer with a brass handle, and pierced fretwork under each corner. We have had them recently re-polished, they are in excellent condition for their age, with plenty of character and patina. Width – 20 inches , 51 cm Depth – 28 inches , 71 cm Height – 19 inches , 49 cm
