Description

Delightful early 20th.c. still life oil on canvas c.1920. Unusual long and narrow dimensions, the canvas being five feet long but just 21" tall, designed to hang over a serving sideboard perhaps. Very well painted with a bountiful composition of fruit and vegetables featuring lettuce, artichoke, celery, a pineapple, apricots, apples, pears, peaches, strawberries and grapes against a landscape of fields and trees beneath a blue sky. With a faint signature in the lower left hand corner. Presented as found, a little loose on the stretcher but generally very good condition within a simple moulded wooden frame with gilded finish. Dimensions: Width 67" Height 27½"

Internal Ref: 36025
