Depth = 14 cm (5.5")

Description

~ French - Circa 1900 ~ ~ Excellent condition, fully overhauled ~ ~ A beautiful Antique French portico clock retailed by the famous Goldsmiths and Silversmiths Co of Regent Street, London. It is of the classical style of Louis XVI, made of white marble mounted with ormolu (finely gilded bronze). The movement is held aloft on four marble pillars with the ormolu sunburst pendulum swinging gently below. To the top is a finial of cupids flaming torch and quiver of arrows and between the pillars are swags of flowers. The dial is prettily painted with floral swags between the numbers on porcelain enamel. It is complete with it's original finely fretted gilt brass hands. The French movement is of high quality and is by Richard et Cie. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original. It runs for 8 days and strikes the hours and halves on a bell. We have a video of the clock, please ask and we will send you a link or paste this one into your browser: <https://www.facebook.com/DragonAntiques/videos/861915018895057>. Condition of the ormolu is excellent, beautifully clean and bright some slight discolouration and we...
