Dimensions

Height = 19 cm (7.5")

Width = 10 cm (3.9")

## Description

Technical Description A superb late 18th century Wrockardine serving glass flagon bottle in pale green with white, amber and blue inclusions striated around the bowl. Applied handle. Could have come from a number of glassworks in the Wrockwardine Wood area of Shropshire in the late 18th and early 19th century. A very fine example. Date & Origin England, c1780-c1800. Condition Excellent. A few minor pieces of the inclusions have dislodged on the surface. No chips cracks or restoration, clean and clear. Dimensions Height: 19cm, Diameter: 10cm

Internal Ref: 2023099207
