Description

A Fine quality 8 day Biedermeier Grande Sonnerie Viennese Regulator, by Pollateck in Pesten, Circa 1850. A beautifully proportioned birds eye burr ash Biedermeier Viennese Regulator wall clock by Pollateck of Pesten (Budapest), circa 1850. The finest quality birds eye burr ash case with a shaped and step moulded top surmounted with the original scrolled carved pediment. The shaped and glazed door flanked with excellent quality applied matching carvings and the finest quality burled veneers, glazed sides with boxwood stringing around the apertures. The case interior veneered with the beautifully figured burled birds eye burr ash wood. The moulded and shaped base terminating with the original carved base decoration. The original lock to the door. The one piece enamelled dial with blue Roman numerals and signed to the centre Pollateck Pesten, surrounded by a finely cast brass pie crust bezel. The fully restored, 8 day duration, Grande Sonnerie three train movement of the highest quality, striking on two blued steel curled gongs, with maintaining power and deadbeat escapement. Strike silent facility. Three polished brass cased weights, with ornate spoked pull...

Internal Ref. Pollateck
