## Description

A stunning pair of Art Deco burr walnut bedside cabinets. They date from the 1920-30's, they were made in England by Epstein. The quality is outstanding, they are beautifully designed with lovely original bakelite handles. The fronts are nicely shaped, with a band of birds eye maple running vertically down the middle of the doors. Above the cabinet section they have pull out mirrored tray slide shelves. The burr walnut and birds eye maple grain patterns are absolutely gorgeous. We have had them stripped and re-polished to a very high standard, the condition is superb throughout. Width - 34 cm , 13 inches Depth - 41 cm , 16 inches Height - 60 cm , 24 inches
