Description

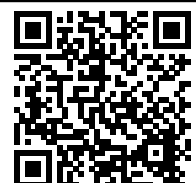

A good Regency period flame-mahogany cylindrical bedside Cupboard on a circular base with a white marble top (diameter 39 cm). The cupboard opens by means of the turned mahogany knob to reveal a solid shelf inside and ample full-height storage space. The white marble top is attached to the top and the whole unit is supported on an integral circular plinth base. Dimensions: Height: 73 cm. Diameter: 39 cm Dated: c.1825-35 We have a similar cylindrical mahogany bedside table, not identical, it has an octagonal base and a different marble top configuration. But same price and came to us as a "near pair". An image is attached here for information only. Please contact us if you wish to buy both together.
