Description

An exceptional antique French brass and marble floor lamp, dating from around the 1910-20's. This is of outstanding quality, with incredibly fine and intricate details to the brass work. It is a great size, it is very heavy and has a gorgeous marble table built in to the centre, supported by a beautifully pierced brass gallery. We have had this cleaned up and re-wired, it is in good working order. We have paired it with a very large vintage cream shade that is in good condition, with just some very minor wear and light surface marks here and there. This looks like it was originally an oil lamp in its previous life. Width base – 16 inches , 41 cm Width shade – 22 inches , 56 cm Height to socket – 67 inches , 170 cm Height to shade – 76 inches , 193 cm
