Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It is mint and unblemished, the only thing we have had to do was service the movement. It has a solid 9ct yellow gold case and clasp. It is fitted to a black silk cord strap that just glides around the wrist. The cord strap can be made to fit any wrist size. We can also offer different colour cords just let us know your preference. It has quite clearly been forgotten at the back of a drawer and probably never worn, the condition is absolutely pristine. The 17 jewel calibre 244 movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect the watch is fully marked on the dial, movement and case, the case and clasp fittings are fully hallmarked with birmingham stamps for solid 9ct gold and the date letter for 1960. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 20mm in diameter not including the crown. This watch movement has been fully and professio...
