Description

A really good pair of Staffordshire spill vases featuring a cow with calf on each. They are in very good condition with no chips or cracks. They are of quite large proportions which can be demonstrated by the photo where a coffee mug gives the impression of size. All the Staffordshire which I have recently put on this site comes from one collection, all of which were in perfect condition which is quite rare. We can deliver free of charge in UK mainland and can calculate the cost for international delivery. Payment by bank transfer, PayPal or card via telephone.
