Description

A rare superb quality solid silver cigarette case. It is hallmarked with what I think are Czechoslovakian marks including a 835 silver standard mark. I would date it to c1940. It has been beautifully designed and is in superb condition being free from dings splits and repairs. It has been vibrantly gilded inside and engraved KH or HK. It measures approx. 4.5 inches (11.5cm) long by over 3.25 inches (8.6cm) wide and weighs 146 grams. A super quality example.
