Description

This is a most attractive Ghom carpet from Central Persia which dates from around 1900. The finely woven carpet has a very nice all over design of boteh to the warm ivory field, the boteh having both an eggshell blue and teal blue shade, as well as warm coral which also features in the deep border. The carpet is in great condition with one or two very small areas of slight wear and is a great room size measuring 322 cms by 220 cms. UK mainland delivery is £25. Or you are most welcome to collect.
