Description

A very handsome and tidy antique pine wardrobe. 2 doors, and 2 drawers at the bottom. The drawers would have originally only be opened using a key, but I can fit knobs or handles on these if you wish. With an internal depth of 19", should be fine for hanging coats and suits. There are some wooden pegs at the top (along the back). These can be removed if necessary, but they could be pretty useful for hanging ties etc.. In very nice condition for its age (Circa: 1900), currently in bare wood having recently been stripped of its original paint. Can be purchased for £1050 as it is, or £1197 if you'd like us to wax it for you. Both prices include the fitting of a new brass hanging rail. This wardrobe totally breaks down (dismantles) for delivery, so should go up any stairway. I can usually deliver myself, and assemble the wardrobe for you. Let me know where you are in the country, and I can give you a quote for this. Height: 78.5", width: 62", depth: 25.5", internal depth (hanging space): 19"
