**Date of manufacture: 19th Century**

### Dimensions

Height = 74.5 cm (29.3")

Width = 98 cm (38.6")

Depth = 98 cm (38.6")

## Description

Wonderful French gueridon or centre table in excellent condition. The fabulous black and white marble top has a broad moulded edge and concentric rings to stop spilt liquids from running over the sides. It has an outstandingly carved baluster column which sits on a tri-form base. Each foot is skilfully carved with leaves at the knees that lead to the substantially sized carved lion paws. A striking table of solid construction that can go straight into a home.

Internal Ref: SAI3144
