Description

A smart and very useful antique Victorian mahogany open bookcase. This was made in England, it dates from around the 1860-1880 period. It is a great size, very tall and slim, with lots of storage space. There are five adjustable shelves, this sits on a plinth base and has a lovely overhanging cornice. The cornice can be removed for ease of transport. We have had this recently re-polished, the condition is excellent for its age. Please note that this is an original Victorian Bookcase & not adapted or made up, like many you will see online. Width – 38 inches , 97 cm Depth – 13 inches , 32 cm Height – 80 inches , 202 cm
